Other Relevant Experience:

After admission as a solicitor, I was mainly involved in civil and criminal litigation, but gradually moved to specialize in matrimonial proceedings, EC / PI related cases, building management cases involving disputes between Incorporated Owners / property management companies and individual owners, and also cases in relation to commercial and shareholders' disputes. Since 2000, I have handled a number of cases on the issues of custody, care, control and access of children, ancillary relief in matrimonial matters, commercial and shareholders' disputes, and also cases arising out of accidents resulting in multiple casualties and concerning about enforcement of DMC and application of BMO, Cap. 344. Over the years, I conducted various mediation sessions as mediator for resolving disputes in EC / PI, building management, compulsory sale for redevelopment and matrimonial cases, as well as commercial cases.

As at May 2025, I have conducted the following mediation cases as mediator:-

1. October 2013: General mediator for HCPI 505/2011
2. June & July 2014: Family mediator for live supervision case
3. August 2014: General mediator for HCA 18/2012
